Published: Monday 17th August 2020

This is about opening hours & information of Wallingford shops, businesses & organisations (except pubs) that normally have their doors open to the public.

Since last update, many have changed their opening times a bit.

Many are starting their week on a Tuesday.

There are six more places reopened.

To date, **116** shops, businesses & organisations are now open in Wallingford in some way. Amazing!

Retail Shops	3	Places of Worship ..	6	Services	5

Click on green text links to go to either pages here or to reach websites.
Click on green arrows ↑ on page corners to get back here.

Shop & business owners & staff have your protection foremost.
They do a deep clean before opening & after closing hours.

Do read their displayed requirements on the door & put on a face covering before entering the shop

Please do not enter a shop if you feel at all unwell

(Particularly cough, temperature, loss of smell or taste)

Please share the Bugle around to **anybody** and **everybody** in and around Wallingford.
It's a Pdf so can be printed to pass on to anyone not on the internet.

The times & information are accurate as at time of publication.

Do please email to me any suggestions, inaccuracies, new information.

Do look at the last page of this extract.
A thought & a smile will come your way!

Cheers

THE CAKE OF FRIENDSHIP

© Michelle Flores

Preheat the oven of love
With plenty of secrets and hugs.

Mix in giggles and laughs
That make your sides split in half.

Bake with the love and care
And all the things you both should share.

Decorate with the frosting of trust;
This is really a must.

Enjoy the cake; do not eat it fast.
Just like your new friendship, make it last.
